ZEDON GRILL

OUTDOOR KITCHEN

WE WOULD LIKE TO INTRODUCE OUR NEW BRAND

Now days, when friends and families like to be together in private,

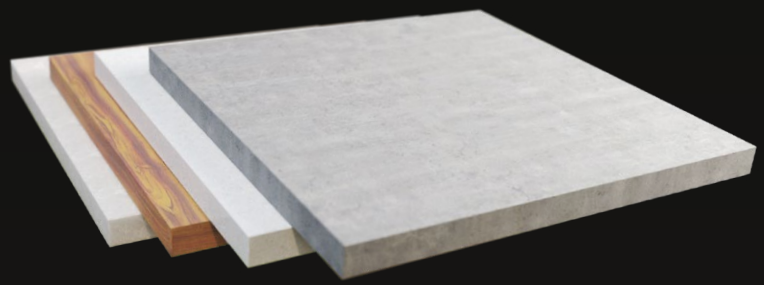
what would be better, like an outdoor kitchen.?.

We wanted to create a high-quality product, which is modular. The base module is the grill module with a 3\5\6 burner gas grill, and a drawer for the grill-tools. You can extend your outdoor kitchen with different size of cabinets with many equipment options. The main cabinet sizes are the followings: 50, 80, 100, 200, BAR. The list of equipment are the following: side burner 1\2, drawers, door, multi storage, double door, refrigerator, sink washing machine, trash holder, etc.

Frame:	welded aluminum frame powder coated RAL scale
Countertop:	granite or dekton
Equipment:	stainless steel
Manufacturing time:	4-6 weeks after, 50% advance payment arrived

Price is without VAT. Price not including transport cost.

COUNTERTOPS



Countertops is a premium, compact, durable and non-porous product consisting mainly of carefully selected natural materials (quartz and granite). For the impressive appearance the product is completed by colored pigments and crushed mirrors; blended and bound with a high performance polyester resin and processed into perfectly straight, flat and resistant slabs with different thicknesses and surface finishing.

Thickness by default: 30 mm
